AT ARLINGTON HEIGHTS, ILLINOIS
ENTERED AS SECOND CLASS MATTER

ARLINGTON HEIGHTS, ILL. FRIDAY, DEC. 6, 1935

H. C. PADDOCK & SONS, Publishers

PRICE \$2.00 PER YEAR

VILLAGE BUYS FIRST LOTS FOR NEW PK.

Authorize Purchase of Our Lots for \$500 Owned by Receiver

Immediate action on the part of the village to secure title to the property which is included in the new recreation park is necessary if such property is to be taken off the tax lists. Such was the report made by Mayor Francis to the Arlington Heights village board Monday evening, O. G. Barrett, as a member of the citizens committee had previously advised the board that if it is desirable to secure for park purposes the five lots upon the west side of Haddon and south of Campbell street, which street and lots are unimproved they can be secured for \$500 upon a time basis of payment and probably for \$500 if payment is in cash. The committee, stated Mr. Barrett, had no recommendation of a method by which funds could be obtained for the property needed for park purposes. The option upon the Dr. Orth property runs out Dec. 15 and Attorney Thal was asked to seek a conference with the owners to devise some method by which title could be taken at this time.

In order to tie up the four lots on Miner street, extended, owned by the bank receiver, the board authorized their purchase for a total of \$500.

Attorney Thal was also instructed to draw up suitable ordinance for vacating such portions of streets as will lie within the park itself.

A representative of Mr. Schumann, owner of \$2,000 of ornamental street lighting bonds, was present and stated that his principal was unwilling to accept \$2,000 in full settlement for bonds and unpaid interest coupons. He offered to omit the accrued interest on coupons but desired the face of the coupons. The representative was instructed to inform his client that a payment of \$2,000 as full settlement was the best offer that the village could make at this time.

Alderman Burns reported that delinquent water bills on five accounts amounted to \$881.29. Alderman Schaefer reported on repairs by the street department and that the board if the purchase of a snow plow was advisable.

The matter was held over to the next meeting.

Alderman Klein recommended that a chain and sign be purchased extending across driveway to library rooms for use when said library is closed. A conference will be held with library board about its installation.

Alderman Krause reported that \$10,000 of 1935 tax warrants had been sold for \$10,036. Of this amount, \$9,068 had been used to pay all accounts of the Public Service Co.

A resolution was passed at the request of the state highway department requesting the use of \$2,317.44 additional state gas tax funds to pay final costs upon road improvements recently made in Arlington Heights. A bill of \$151.70 for engineer's fees from same fund was authorized for payment.

Henry Wildhagen, Veter- an Rural Carrier, is on the Retired List

Henry Wildhagen who has the distinction of delivering mail over one route for a period of 32 years was retired last Saturday, when he reached the age of 65. When rural mail service was first established at Palatine upon June 15, 1904, he took up his duties upon route two. Eleven years he drove a horse and buggy which were followed by a car and cat. He has many stories that he can tell of snow drifts and the joys and sorrows of a mail carrier. Postal regulations forced his retirement at this time, but he is still hale and hearty and will probably find plenty to occupy his time around his home and farm and picnic grounds in Platte Grove. John Wente who has been his substitute for a number of years, is acting as temporary mail carrier, but on account of his age, can not be appointed as a regular carrier, which position must be filled from the civil service list.

H. C. Bolte, Volunteer Fireman 20 Years, Dies After Six Weeks Illness

Henry C. Bolte, a resident of Arlington Heights all of his life and a member of the Arlington Heights volunteer fire department thirty years, died at noon November 27, after an illness of six weeks spent in the hospital. The funeral was held Saturday afternoon at St. Peter's Lutheran church, Rev. Noack and Rev. Fricke officiating. Wm. Ludwig acted as soloist. Interment was in the Lutheran cemetery. Members of the fire department served as an honorary escort.

Deceased had served as treasurer of the fire department at one time, also several years as secretary of Dist. 25 board of education. For twenty-eight years, until that company ceased business, he was with Edison Keith, of Chicago. Since that time he was with Wacker Mfg. Co. for three years.

Henry C. Bolte was born in Arlington Heights Aug. 3, 1881. He attended public school and was confirmed in 1895. He was united in marriage Nov. 4, 1906 to Miss Katherine DeBeer to whom five children were born, and who survives him. They are: Leonard, Roland, Wallace, Lois and Marjorie who with their mother, mourn their loss. Other relatives are one brother, Otto; one grandchild; one daughter-in-law and mother-in-law.

Cook Co. Farmers Mutual Ins. Co. Declares Dividend

Here is news for all members of the Cook County Farmers Mutual Insurance company. Another twenty-five percent dividend has been declared for all members in good standing and which will again be mailed out in form of credit slips to be applied to insurance renewals for 1936. These slips will be put in the mail very soon now, so that members will have them in time to renew their insurance at the end of the year. There has also been a reduction made in the fire and theft insurance rates which will likewise be effective the first of the year.

BIG PICTURES COMING TO ARLINGTON

Also Vaudeville and Picture Offering for New Years Eve Show

The Bank on Friday and Saturday night of this week is up to \$75. Sunday and Monday brings the big special "She Married Her Boss" and "The Dionne Quintuplets" going on two or three reel delight. Tuesday the Junior class of the A. H. T. H. S. has leased the theatre for a preview showing of Top Hat. All seats are reserved by the Junior Class and Alumni. Wednesday and Thursday, Dec. 11 and 12, Fred Astaire and Ginger Rogers in their latest, greatest offering, "Top Hat" is the program plus dishes to the ladies. Friday of next week brings the Fox hit, Redheads on Parade. Frances Lederer, the sensation of Hollywood and an import from Germany stars with Frances Dee in Gay Deception Dec. 15. Shipmates Forever, In Old Kentucky, The Three Musketeers, Bright Lights, Bonnie Scotland, Dark Angel, Last Days of Pompeii and Broadway Melody of 1936 are early anticipations for Arlington Heights theatre goers.

Station WJJD present the WLS stars the Cumberland Ridge Runners and the Ozark Trio of girls and others for the stage part of the Arlington New Years Eve mid-night show. There will be three complete shows starting at 6:30. The acts appear at every show. The earlier evening shows will be 15c for children and 30c for adults. The midnight show will be 40c for all seats reserved. Joe E. Brown in Bright Lights is the offering Christmas day plus a Christmas souvenir novelty for the patrons. Like last year the ladies are in for a special Christmas gift. It is in the nature of a 99 cents deep over dish and every lady patron gets one the nights of Monday and Tuesday, Dec. 22 and 23.

Hurray, Our Electricity Bill Is Paid In Full

The Herald does not know how many chairmen of finance committees of the municipalities for which they are responsible, but Alderman Walter Krause, finance chairman of the Village of Arlington Heights is not worrying any more—Arlington Heights has paid its bill for street lights and power, from the Public Service company, in full to date. It took something like \$9,068 to get a receipt, but the money came from the sale of tax warrants, which only draw 4 1/2%, as compared with 6% that is usually paid.

Arlington Heights is one of the few villages in this part of the state that is not in debt for electricity.

THREE KILLED WHEN TRAIN HITS AUTO

New Residents of Arling- ton Heights Were Victims

The funeral services of Charles McClelland, his wife and daughter, all of Arlington Heights, whose car was hit by a C. M. & St. P. train Monday evening, is being held Thursday in Chicago, with interment today at the family lot in Williamsburg, Ill. Mrs. McClelland, 52 years old, and her daughter, Ella, 20 years old, were killed instantly. Mr. McClelland was taken unconscious to the Swedish Covenant hospital where he died early Wednesday morning.

There are three children, Robert, who resided with his parents upon the old Meier homestead, corner of Arlington Heights and Palatine roads and who is a student at the Arlington Heights high school; Kenneth, 5508 West Van Buren street, Chicago, who is a mechanical drawing teacher at the Tukey high school and a daughter, Dorothy, of California, who arrived here Wednesday.

The accident occurred at the intersection of Caldwell avenue, Carpenter road and Devon avenue.

E. Pritchard, engineer of the train, en route from Madison, Wis., said the automobile appeared to have stalled on the tracks and then was started again, but not in time to avoid being struck. No other witnesses were found. There is a flasher signal and warning bell at the crossing.

Mr. McClelland is a teacher of mathematics in the Mulligan Elementary school, Chicago, and drove to and from his work each day.

Mistakes R. R. Platform For Highway; Train Demolishes Car

Alloyce Gissen, of Evanston, is minus a 1933 V-8, all because he mistook a crush stone platform upon the north side of the North Western tracks at Palatine, for a highway about 3 o'clock Wednesday morning. The auto was going north on Plum Grove avenue when he turned left. Two wheels went on the roadbed and two upon the platform. His efforts to remove the car were futile, so were his efforts to flag a freight train that paid no attention to his headlights that were shining up the track.

The car was completely demolished and the train thundered on, the engineer not thinking a V-8 was worth while stopping for. Oh yes, the drivers of two trailer trucks who stopped near the scene helped themselves to the tools and Gissen has nothing to show for his property except a pile of battered steel and his own life.

W. LINNEMEYER PALATINE SCHOOL OFFICIAL IS DEAD

William Linnemeyer, 60 years old, a member of the board of education of School District No. 15, Palatine, Ill., for over twenty years died Friday morning, Nov. 29, at the Sherman hospital, Elgin. The funeral was held Monday afternoon, Dec. 2, at St. Paul's church, Rev. Voelck officiating, followed by interment in the southside cemetery. Odd Fellows brethren of the deceased paid the last honors of that fraternity.

HARTMAN TO REPEAT RECORD BREAKING SALE

Offerings of Shoe Bar- gains Equal to Those of Four Years Ago

Peter Hartmann, the Arlington Heights shoe merchant who has been in the same location on North Dunton avenue for 48 years, opens a shoe sale Friday that promises to equal the record breaking event of four years ago when he offered his entire stock at sale prices. The sale that opens today has as many if not more bargains than the one in 1931 and the people who take advantage of the opportunity to outfit their families with footwear for the coming months will be able to save a lot of money.

Sale circulars are being distributed this week and a special ad will appear in the next issue of the paper. Customers need not wait to receive a circular. They are urged to come early and take advantage of the bargains.

This sale is also an anniversary celebration of the veteran proprietor who will be most pleased to have any of his old friends and others come in and greet him whether or not they are looking for shoes.

Mr. and Mrs. Hagenbring In Serious Auto Accident Near Bradwood, Nov. 27

Mr. and Mrs. H. L. Hagenbring, of Arlington Heights, while returning home from instituting a Shrine in Nevada, Mo., met with a severe auto accident that has placed Mrs. Hagenbring in a hospital and also injured a fellow passenger, Mrs. Veta Olsen, of Joliet, who is in a hospital with three broken ribs, broken collar bone and cuts. Mrs. Hagenbring injured her shoulder bone and one of the vertebrae in her backbone. Mr. Hagenbring, who was driving, escaped with only bruises. The Nash car in which they were riding is a complete wreck.

The accident occurred near Bradwood, Ill. 25 miles south of Joliet. They had left Arlington Heights Sunday and started for home Tuesday morning, driving as far as Springfield where they remained over night. With a late start Wednesday morning, they had reached Bradwood about 11 o'clock. Suddenly a car approaching from the opposite direction, cut across the road in front of the Hagenbrings. As Mr. Hagenbring attempted to avoid an accident, the other driver again cut across the road into the right side of the Nash.

The driver of the other car took Mrs. Olsen to a Joliet hospital, while Mrs. Hagenbring was treated by a local physician and later moved by ambulance to West Lake hospital, Melrose Park. On account of the nature of her injuries she will probably have to remain in bed several weeks.

The guilty driver who was on his way to his home in Missouri returned to Chicago and has not been heard from since.

HAND BILL ORDINANCE BY MT. PROSPECT

Skating Ponds Being Prepared

The Mt. Prospect Village Board of Trustees spent last Tuesday evening, December 3, laboring through the month's accumulation of business matters that come before the board at their regular monthly meetings. Other than the passing of the new handbill ordinance, no business of particular importance came before the meeting. The reports of the treasurer, and water rates collector indicated some improvement in the condition of the Village finances. Delinquencies in water bills showed a decrease over last month.

Handbill Ordinance Passed
A new ordinance regulating the distribution of handbills and other advertising matter was voted on and passed unanimously. Anyone desiring to distribute handbills or other advertising matter, must now apply to the Village Clerk for a permit to do so and failure to comply with the provisions of the new ordinance, in addition to preventing one from securing a permit, will be subjected to a fine of not less than \$5.00 and not more than \$15.00.

New Tires for Police Car

The purchase of four new tires for the police squad car was approved after some discussion of the several bids submitted.

Chief of Police Wm. Mulso reported that preparation of ice skating ponds is going forward at three locations in the village, although the ground is still pretty soft. The ponds now being prepared are at Pine and Lincoln streets; Shaohone and Ioka, and on Elm street, between Busse and Evergreen. It is expected that additional ponds will be provided later.

PINOCLE TOURNAMENT HAS BEEN POSTPONED

The pinocle tournament announced for next week, has been postponed indefinitely. Those who have registered will have their money refunded.

TRUCK GARDENER MEETING

Cook County Truck Gardeners and Farmers Association, Local No. 11, Arlington Heights, will hold their annual meeting Wednesday evening at 8 p. m., Dec. 11, at the home of Henry Metz, 626 N. Chestnut, Arlington Heights, one block east of the high school, for the purpose of electing officers for the coming year and to settle dues and bills of the past year.

Henry Metz, Sec.

NON-HIGH DIST. VOTES TUITION TAX INCREASE

Will Pay Tuition Bills of Residents Attending High Schools

The voters of the non-high school district passed by the overwhelming majority of 1838 for and 383 against, the proposition to provide sufficient funds with which to pay for the tuition of Non-High School pupils attending the high schools of Cook County and Chicago. The election was necessary because of the rapid increase in the number of students attending high schools from the Non-High school district. About 2,500 pupils residing in this district attended high schools during the school year of 1934-1935. Even with 100% tax collection, the Board had insufficient levying power to provide enough funds with which to meet this tuition bill. For the past three years the condition has been the same. With the increase granted in the election, the Non-High School Board will be able to meet its bills in the future.

Township	For	Agst.
Barrington, Hanover	40	3
Schaumburg, Elk Grove	22	63
Wheeling	74	4
Northfield	207	31
Niles	265	55

The Non-High School District was created by the General Assembly of Illinois in 1917, and given the power to levy a tax rate of 1/2 of 1% for the purpose of paying the tuition of high school children residing within the Non-High School District, to the various high schools selected by the children.

During the first two or three years after the Non-High School District was created, only about 200 children, residing in Non-High School territory, attended high schools. During the 1934-1935 school year, almost 2,500 pupils, residing within the Non-High School District, attended high schools, tuition bills for which have been received by the board aggregating the sum of \$333,359.82.

The 1934-1935 school year is typical of each of the last several years and notwithstanding the issuance of tax anticipation warrants by this Board, the deficiency up to and including the 1934-1935 year now amounts to approximately \$300,000, which amount is due and owing to various high schools. This situation had caused several of the larger high schools to threaten to refuse non-high school pupils in the future.

New Instruction Given to Township Assessors

At a recent meeting called by Assessor of Cook County, John S. Clark, all township assessors in Cook county, outside the City of Chicago, were given complete instructions as to the making of the 1935 personal property assessment.

An important new departure in assessing in the country townships was instructions to township assessors to estimate the value of all large manufacturing plants in their respective areas. This is a check on values as a whole that are reported to Assessor Clark. The Assessor also stated that experienced appraisers will be made available to township assessors for valuation of property with which they may not be familiar.

After completion of the assessment, and during the time of its review, Assessor Clark has instructed township assessors to appear as his representative before the Board of Appeals in matters of correction, so that with their intimate knowledge of valuations in their township, justice to the property owner may be done.

Because of the short time for completion of assessments under legislative requirements, property owners are urged to fill out the schedules as promptly as possible and return them to the township assessor for tabulation and entry so that a proper report may be made to Assessor Clark.

Delays in assessments and tax collections are costly to property owners and the record established by Assessor Clark in the first year of his incumbency, that of completing the 1934 assessment on time, the first since the reassessment of 1928, will be accomplished again for the 1935 assessment.

GARDEN CLUB NOTICE

The Arlington Heights Garden club will meet Wednesday, Dec. 11, at 8 p. m. at the home of Mr. and Mrs. R. F. Palmer, 406 W. Mueller street. All those interested in gardens and flowers are cordially invited to be present.

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN to holders of unpaid Arlington Heights Park District tax anticipation warrants—All series.

Money is now on hand to pay both principal and interest of said warrants. Interest on said warrants will cease to accrue on the date of this publication.

Signed,
HENRY HENNING, Treas.,
Arlington Heights Park District,
514 N. Evergreen Ave.

Business Men Must Pay License or the Village Employees Go Hungry

Unless the 25 odd local Arlington Heights business men who have not paid their 1935 business licenses loosen up there is a possibility that there will be no Christmas this year for the village employees. Alderman Krause informed the board Monday evening that when the annual appropriation was made, it was assumed that with only a \$10 fee the business houses would pay their licenses. Pay rolls up to December 1 have been paid, but there is no money in sight for the Dec. 15 pay roll.

The collection of delinquent business licenses is necessary if the village employees are to get Christmas pay. Chief Skoog was not present that evening, neither was Alderman Schmeberger, chairman of the police committee, so the problem was thrown into their laps, with instructions that the police department find ways and means to collect the needed funds.

Arlington Postoffice Dons New Dress

The interior of the Arlington Heights postoffice has a new dress of paint and varnish. W. Krause, the owner, has never hesitated to make improvements in that postoffice which will increase its efficiency and a new coat of paint upon the walls, etc., makes pleasing surroundings for the clerks, who in turn, being themselves happy, have a smile for the patrons of the office and everybody is benefited because of a little paint and varnish.

Public Installation of Arlington Heights O.E.S. Chapter Saturday Eve

The public installation of Arlington Heights Eastern Star Chapter will take place Saturday evening at Presbyterian parish hall. Mrs. Frances Thorson will be installed as worthy matron and Frank Hausam as worthy patron. Mrs. Georgiana Pankonin will be installing officer assisted by Miss Celia Hausam as marshal and Maybelle Jasper as chaplain.

Chalk Talk By Sebert Delights The Men's Club

The Men's club of the Methodist church held its regular monthly dinner and program of entertainment on Tuesday, Dec. 3. The attendance was large and an excellent dinner was served by the ladies of the church. After the business session, Mr. Harry Sebert, a member of the club, took over the meeting. With clever caricatures and a smooth flow of comment he kept the audience roaring with laughter. His portrayal of some of the members either in portrait or through picturing their hobbies and professions brought frequent and enthusiastic applause.

Those present agreed that Mr. Sebert was the equal with his crayons of any paid entertainer who has visited Arlington Heights in recent years.

Pres. Everett announced the programs for the remainder of the season. They include a variety of types and will be sure to please a large number of people. Of outstanding importance will be the annual Ladies' Night, to be held in February, when Bishop Waldorf will be the speaker.

Lack of Men and Materials Delay WPA Work at Recreation Pk.

While the outlet ditch WPA project is progressing according to setup, the park project is delayed with labor on issues where the lack of men and materials. If all of the Arlington Heights men working on WPA projects could be assigned to Arlington Heights, there would be plenty of labor and if the WPA organization could act quicker on material requisitions, everybody would be happier.

The engineer in charge reports, however, that work has progressed to such an extent that a general idea of the layout can be obtained. Work has been started on the sunken garden with frost about nine inches deep.

West Campbell Street Has Its Own Puzzle

A stranger seeking a number on West Campbell street finds himself in a maze from which it is difficult to find his way without ringing a few door bells. House numbers in the 400, 500, and 600 block are jumbled up to such an extent that a stranger wonders why the police officials have not done something about it.

Correct numbers have been assigned to every house in Arlington Heights and why any householder wants to use an illegal number beyond the understanding of a mere reporter who Tuesday got lost on that street.

PECANS FOR SALE

Mr. W. B. Beardsley has brought up a quantity of Pecans raised on his own place at Roseline, La. He will be taking orders and delivering them very soon. Any man with a car who wishes to help take orders, please see him at once at Mrs. Beulah Burkitt's home, 502 N. State Road.

Northwest Cook Dairymen Hear New Marketing Plans

NINE POINTS IN FARMERS' "NEW DEAL"

The dictating of the "base and surplus" plan and the placing of the marketing of milk in the collective control of the farmers themselves were the two fundamentals stressed by L. A. Perkins of Woodstock who addressed a large number of local milk producers at Arlington Heights, Tuesday night of last week. The meeting which attracted a large number of farmers was held under the auspices of the new Union Milk Producers Association for the express purpose of explaining to local dairymen what the new organization is, what its principles are and what it proposes to do to improve the lot of producers.

Mr. Perkins, vice-president of the new organization, pointed out nine features provided by the new setup that are a distinct benefit to the farmer:

1. Headquarters of the organization to be at Elgin, the center of the heavy producing area of the Chicago shed.

2. Districts are to be formed on the basis of milk production instead of on the basis of membership, 15 in all.

3. Directors in every case must be actual farmers.

4. Use of the recall and referendum to remove directors proving unsatisfactory. Provides for a petition of 25 percent of membership and the holding of referendum vote on recall within 30 days.

5. Secretary must furnish a financial report to each local once a month.

6. On all major issues all voting must be by ballot.

7. Each district will seat its own directors.

8. Two cancellation periods are provided a year instead of one, in May and November for periods of 30 days.

9. To gain the backing of organized labor and to work hand in hand with labor on issues where the interests of both are vitally affected.

In the opinion of the advocates of the UPMA, the "base and surplus" plan in present operation in the Chicago milk shed is a shrewdly conceived artifice which deprives the farmer of the full, fair price for all of his milk. It provides for distinctions in milk that do not in fact exist, base and surplus milk are after all of the same quality, why a full price for one and a half price for the other? The benefit is to the milk dealers who are able to control their market and set their price while the farmer is forced to exist at a less than the cost of production level.

Mr. Perkins contended that there exists a greater market for milk in Chicago than is at present being satisfied. The aim of the new organization, he said, is to reach this additional market and make

As the meeting came to a close, there was considerable heckling and much warm repartee between staunch supporters of PMA and advocates of the new UPMA. H. Pfister of Prairie View, a former PMA official led the attack on the new order while Mr. Dummer, with fluent tongue and plenty of facts, defended the newer group. John Piepenbrink of Arlington Heights acted as chairman of the meeting. Sentiment among those present seemed to be fairly well divided.

**MERLE GUILD POST
No. 208
AMERICAN LEGION**

Lots of things happened at our last meeting:
FIRST—Les returned.
SECOND—We had a swell meal before the meeting, there was plenty of grub.
THIRD—Mike Browne wasn't on

time.
FOURTH—District Commander Joe Bernhard was the guest of the evening.
FIFTH—Commander Dawson of Chippily Post employed by Chevrolet Motors came out and showed talks on how Chevies are made—also some shorts on steam trains, airplanes, etc.
SIXTH—A beverage jobbed by Joe Klock was drawn from a barrel and put into glasses with handles on them—said

fluid was served to all and sundry.
SEVENTH—Jack May and Wallie Geisser broke the ice and played Ping Pong.
EIGHTH—Phil Engelking announced that the next masquerade dance to be run by the Drum and Bugle Corps would be on Saturday, December 12th.
NINTH—It rained—but who cared—what with Arnold Forsen telling stories—Les at the piano—Jules Spath at the squeeze box and Joe Klock at the tap.

Prospect public school hall. Nine members of our unit responded to roll call. The chairman of the various committees gave their reports and while listening one cannot help but admire and respect these women for the earnestness and time they put into their work. Mrs. Pecchia, fidac chairman of the district, gave an interesting talk on the aims and purposes of Fidac, so interesting in fact that her listeners applauded long and loud when she had finished. Applauding, by the way, is not customary at the meetings, therefore it indicated the impression her talk made on the audience.
The next Cook county council meeting will be held Friday, Dec. 6.

**Barn Dance Shows
With Local Talent
Thursday and Sat.**

One of the outstanding events of the season will be the Barn Dance shows which the Sutherland Woman's Relief Corps of Palatine is sponsoring Thursday and Saturday evenings, Dec. 5 and 7, and which will be given in Cutting hall at Palatine township high school. The much beloved characters of the Prairie Farmer WLS Barn Dance show will be impersonated by community talent from Palatine and several surrounding communities. A great deal of talent being used in this show, has taken part in the Barn Dance shows given in Dundee, Elgin, Des Plaines, Highland and Barrington, and a splendid production is assured the public each evening of the shows.
Mildred Eikelberry of Dundee, who has played the part of Lulu Belle in numerous community talent productions will again delight the audiences with her singing and dancing. Shelby North of Palatine will take the part of Uncle Ezra. Joe Gahlbeck of Palatine will impersonate Jack Holden in the capacity of master of ceremonies. Mae Ober of Crystal Lake will take the part of Flossie Fry, in her very capable manner. James Haywood of Highland so recently heard on the WLS community talent broadcast, will sing. Mary Alice Moran of Chicago, winner of runner-up in Joe Keith's Hollywood Revue, will impersonate famous movie stars. Doyle McCline of Chicago will be seen in a dancing act impersonating Bill Robinson. Wallie Hahnfeldt's orchestra of Palatine, will furnish the music for the old fashioned dances. The Western Stars of Des Plaines, the Dapper Dancers of Dundee and the Prairie Ramblers of Highland, will be featured each evening. Two sets of square dancers will present the old time dances; one set will dance in costume of 1890's and be featured as Belles and Beaus of that period. Popular radio songs will be sung by the whole cast throughout the shows. These shows are being sponsored by the Sutherland Woman's Relief Corps of Palatine.

Ninth District News
Hilmer J. Behrentz Post was the host of the District at their last meeting Wednesday, November 20th. The main topic of the evening was "Unemployment" and Bill Keith, American Legion PWA inspector spoke and told us just what efforts the Legion was going to find employment for all its members and here is something new—the Legion isn't going to forget the white collar worker. Comrade Hank Stillwell gave a very interesting talk on athletics and outlined plans for the Junior Baseball tournament to be held in 1936—he also drew our attention to the fact that in the present bowling tournament Norwood Park Post has won twenty-four straight games, should they win five more in a row they will establish a new record in A. B. C. tournaments. The highlight of the evening was a talk by Cadet Lieutenant Guy Wick of Schurz High R. O. T. C. Cadet Wick is a young man 16 years of age, he is a splendid speaker and shows just what R. O. T. C. work will do for a boy in high school. You know boys take four years R. O. T. C. work in high school and then four more at University at which time he is commissioned a second lieutenant in the reserve forces of the U. S. Army. In the last war the inadequacy of training men to be officers in the army in 90 days was shown and in the dire need for more trained officers the American Legion stepped in the breach, advocated and made possible the R. O. T. C. This is something we have to be proud of.
The next district meeting will be held Wednesday, December 11th at 3945 North avenue—Conley Post will be the hosts. If Joe Bernhard reads this and sends us at Merle Guild Post the dope on the meeting, we will advise you thru the columns of this paper just what to expect at this meeting—certainly, refreshments will be served.
Last, but not least, Phil Engelking reading over my shoulder said "Heavens! Charlie don't forget to put in something about the Drum and Bugle Corps dedicating a flag at the Grove school this coming Sunday, December 8, at 2 p. m." The Grove school is located on Milwaukee avenue near Glenview road, and was built before the Chicago Fire; Miss Henrietta Klehm from our town teaches there. Our post you know is giving the flag, so don't forget to be there. The corps has a number of new tunes and we are proud of our achievements.
Drum and Bugle Corps members will meet at Legion Home, 1:00 p. m. Sunday, December 8th.

AUXILIARY NOTES
The regular meeting of the auxiliary was held Tuesday evening, Dec. 3. Sixteen members were present. A trip to Elgin during Christmas was planned to bring gifts for the disabled ex-service men there. Some discussion was made regarding a joint dinner to be given some time in the near future. More details later.
All who attended the basket social given Thursday, Nov. 14, voted it a very successful one. Mrs. Nichols, our able activities chairman, should be given credit for the manner in which she managed her first affair.
The Ninth District held their meeting Thursday, Nov. 21, at Mt.

Bowling News

Last Friday, through the courtesy of G. Schneberger, a team composed of ex-professional football players bowled a team picked by George and including our own Chief of Police Skoog.

They may have a reputation as football players, but when it came to bowling our boys showed them how that should be done, as you will see by the scores below.

Match Game			
Kraft, Steger	121	120	88—329
Kassell	140	136	130—406

Streamlined Turkey

(From the New York Herald Tribune.)

The turkey is really the national bird. For all the emblematic significance of the bald eagle it is to

the turkey we have always turned as the true symbol of nature's munificence to America, as our sacrifice on the altar of Thanksgiving. And now as Thanksgiving so close approaches we learn that the department of agriculture at Washington is contemplating a basic alteration of this sacred bird. It would breed a smaller fowl than the strutting sovereign of our barnyards, something more like a duck than the pride of our groaning feasts.

"IT'S NICE TO LOOK FORWARD TO COMFORTABLE DRIVING THIS WINTER"

—that's why we bought our new Ford V-8 now instead of waiting until Spring.

NEITHER cold nor slush affects the baked enamel finish of the 1936 Ford V-8. Its direct-driven ignition starts the car quickly even on sub-zero mornings. A new Ford needs no tedious "breaking in"—Drive it 60 miles an hour the day you get it, if you want to.

And this year, because the 1936 Ford V-8 came out earlier, you make a triple saving by buying this fall:—You get a bigger allowance on your old car now than next spring. You can drive your new Ford this winter, and it will still be worth as much next year as if you waited until spring to buy it:—And you avoid the winter conditioning costs—for battery, tires, brakes, winter lubricants and engine tune-up—you would otherwise have to pay on your old car.

Come in and see the 1936 Ford V-8 today. Let us estimate the saving you can make by driving a comfortable new Ford V-8 through the winter.

AMERICAN EDUCATION WEEK

The entire faculty of the Palatine Elementary school enjoyed and appreciated the many visitors who attended the American Education Week programs featured by the various rooms during the week of Nov. 11 to 15. The foregoing programs, as well as the conferences between teachers and parents, relative to the problem of pupils in the school, have been consciously sponsored by the faculty because of the belief that the more extensive cooperation between the school and the community, the more effective and sympathetic may be the results of both with respect to the children served by the school. Interpretation of the work of the school and the teachers to the community is a vital necessity of education in our complex, urban-industrial, democratic nation wherein the products of our school system no longer take but must make their place in society. The faculty of the Palatine Elementary school, aware that the American people possess a truly deep faith in education as the key to modern living, extend to parents and to any other interested persons in the school community, a continuous and urgent invitation to visit school at all and any time.

On November 11, the first grade teacher, Miss Edna L. Mair, addressing the visitors who attended the first American Education Week program, said, "The first grade pupils arranged a program to demonstrate to their parents and friends just what they have been busy learning the past two months. It is most gratifying to me, as a teacher, to see the results of the busy hours spent in the classroom, and to the parent it must have been a huge thrill to hear and see her child read, sing, recite and dance." The foregoing quotation aptly illustrates the predominant characteristic of all the programs of the first four grades, for the performances of Miss E. Mair, Miss C. E. Holliger, Miss R. Bellon, and Miss M. M. Moritz were dramatic presentations of the work of the pupils and the teachers to the community.

Miss C. E. Holliger, the teacher of the second grade, interpreting the educational value of her Indian Life Unit, explained to parents and visitors that she aimed to have her pupils constantly bear in mind the outstanding contrasts between

PALATINE EASTERN STAR INSTALLATION

An overflow crowd witnessed the beautiful installation of the new corp of officers of Palatine Chapter No. 585, Order of the Eastern Star, Saturday night. The lodge hall was simply decorated except for the palms and dim lights which beautified the east. The retiring worthy matron, Mildred Sanborn, welcomed the following installing officers: Sophie Wilson, grand lecturer, as installing officer; Lulu Herrmann as installing chaplain; and Celia Hausman, grand lecturer, as installing marshal, all of whom are past worthy matrons of Palatine chapter. Maxine Cook served as installing organist and soloist. Robert Mosser, in uniform, presented the American Flag and Eleanor Steinbrink, daughter of the new worthy matron, gave the ode to the flag. The installation of the worthy matron, Florence Steinbrink, was most impressive as she knelt at the dimly lighted white altar and repeated the Twenty-Third Psalm after which Maxine Cook sang to her. She was escorted to the east and received a hearty welcome by her members and friends. Elvin Steinbrink, her husband, was installed as worthy patron and the following officers:

Gladys Schmidtknecht—Associate Matron.
Pieter Vervloet—Associate Patron.
Helen Swick—Secretary.
Lily Schierding—Treasurer.
Ellen Miller—Conductress.
Lucille Johnston—Associate Conductress.
Bertha Danielson—Chaplain.
Gertrude Jahn—Marshal.
Della Krueger—Organist.
Bernice Born—Adah.
Alma Blum—Ruth.
Hazel Neagle—Esther.
Emeline Godknecht—Martha.
Lorraine Muller—Electa.
Gertrude Smith—Wardener.
George Voss—Sentinel.

The worthy matron expressed her appreciation to the members for the honor conferred upon her and pledged to them her very best. She thanked her officers for the beautiful gavel which they had presented to her. Sophie Wilson was again appointed as instructress and Mildred Sanborn as correspondent. Short talks were given by Elvin Steinbrink, worthy patron; Sophie Wilson, Celia Hausman and Lulu Herrmann. The retiring officers, Mildred Sanborn and Harrison Kincaid, were presented with past officers' jewels from the chapter by Lulu Herrmann and John Senné. Each responded by expressing their thanks for the jewel and appreciation for the honor of serving in this high office. Entertainment consisting of a dance by Beverly Blisk, niece of the worthy matron; a selection of songs, "The Bells of St. Mary's" and "Ah! Sweet Mystery of Life" by Eleanor Steinbrink, Dolores Meyer and Verna Rason, was greatly enjoyed.

All extended best wishes for a successful and happy year to the worthy matron and worthy patron.

Pigeon Drinks by Suction
The pigeon is the only bird that drinks by suction. All other birds take the water into their mouths and throw back their heads in order to swallow.

Elmo Williams Tells 'Why' Buy New Car in December

"New models of practically all automobiles are now being presented to the public two months earlier than usual—that is to say, in November, 1935, instead of in January, 1936," says E. R. Williams of the Koehler Motor Sales.

"It is important that the public know why this early introduction of new cars has been fostered by the automobile manufacturers—and it is also important that the public give consideration to their own interests in timing their automobile purchases.

"First, let me tell you the chief reason for this early offering of new cars. It is an attempt on the part of the automobile industry to spread production, distribution and sales throughout the year in order to stabilize employment in automobile plants.

"Certainly the public at large favors the steady employment in the automobile business. We believe that if the public understands there is no disadvantage in early automobile buying they will cooperate to give steady, continuous employment to the hundreds of thousands of workers whose skill and industry play so large a part in supplying the country's transportation needs. In other words, we may look upon the objective of the automobile manufacturers as worthy. In addition, if they obtain their objective, it will reduce the cost of the car. The modern car has a closed, ventilated, and heated body which makes winter driving as comfortable as summer driving. Road conditions in most communities are such that there is almost as much automobile traffic on the average winter day as in any other season of the year.

"Part of the pleasure of owning and driving a new car, as everyone knows, is to have a new car when it is really new. There's a thrill in being among the first to step out in a smart, brand new model—and certainly that thrill is accentuated by these new 1936 automobiles. They are the finest the industry has ever presented from any standpoint.

"Every factor that makes motoring a keener pleasure reaches a climax in the cars now offered for your consideration. To wait is to deprive yourself of the benefits of the refinements and improvements which add so much to the safety and performance of these beautiful cars.

"Then, too, there's a decided economy angle to buying a new car in December. Assuming that you have an old car to turn in on a new one, you'll get a better valuation on it in December than you will after the first of the year. Regardless of how old your present car is today, after the first of the year it will be one year older from a used car standpoint.

"Also, there is the matter of getting your present car in tip-top shape for winter driving. Why go to all the expense of replacing worn tires, grinding valves and buying new batteries when, by purchasing your new car now, you can have a car in perfect condition this winter—to give you greater safety, better performance, and more comfort from your old car possibly can give you?

"Everyone knows that a new car is more economical, and more dependable to operate in winter than an old one.

"Besides, as a further measure of economy and, considering values, prices on practically all cars are lower this Fall than they have been at any other time in automobile history. Upkeep costs are lower. Financing costs have been reduced materially. Recognizing the constructive attempt being made by the automobile industry, most states have arranged to license a reasonable basis—the 1936 cars purchased this year. There never was a time when you could get more for your money than you can right now.

"Many important developments throughout the years have made cars safer, smoother, and easier to drive in winter as well as in summer. I refer to such outstanding advancements in the earlier years as the self-starter, closed bodies, and four-wheel brakes.

"The new products we are offering have such outstanding advancements as the Turret Top—which not only adds to the safety of a car but also contributes in no small measure to its smartness—improved Hydraulic Brake—which makes braking action so much easier and so much more positive—No Draft Ventilation—which helps vision and promotes safety—and Knee Action—which makes a car so much smoother to ride in at every season of the year.

"I sincerely suggest that you buy your new car this month if you possibly can. Then you'll not only have it nicely broken in for your Spring and Summer touring, but you'll also have it more than half paid for if you buy it on a time-payment plan.

"You'll have a flying start toward a summer of pleasant, care-free motoring. You'll have a new car during all of 1936 and you will be aiding in the constructive movement toward a more even employment in the automobile industry."

CHRISTIAN SCIENCE CHURCHES

"Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 1.

The Golden Text was, "Search me, O God, and know my heart: try me and know my thoughts: and see if there be any wicked way in me, and lead me in the way everlasting" (Psalm 139: 23, 24).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Among the gods there is none like unto thee, O Lord; neither are there any works like unto thy works. All nations whom thou hast made shall come and worship before thee, O Lord; and shall glorify thy name. For thou art great, and doest wondrous things: thou art God alone" (Psalms 86: 8-10).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We are prone to believe either in some power less than God... in some power less than God... in some power less than God... and realize only one God, one Mind or Intelligence" (pp. 203-4).

WHEELING

(Received too late for last week)

Friends here were sorry to learn of the death of Mr. E. R. Gutzler in the Illinois Masonic hospital in Chicago last Monday. Funeral services were held at the Glenview Funeral Home on Thursday and interment made in Oakwood cemetery, 3 miles south of Wheeling. The sympathy of all is extended to Mrs. Gutzler, who is left without relatives in the U. S., through the loss of her husband.

The Misses Mary and Nell McEvoy of Evanston, surprised friends with a call on Sunday afternoon. Miss Mary McEvoy was teacher of the first four grades in Wheeling public school for a period of four years about 20 years ago. At present she holds the position of librarian at Loyola University.

Mrs. E. Sigwalt and Miss J. Sigwalt were also Sunday callers in the village.

Final call for the chicken supper to be served at the Presbyterian church next Wednesday evening, Dec. 4, beginning at 5:30 p. m. Proceeds of the supper are to benefit the church and the charge will be 50 cents for adults and 25 cents for grade school children. Tickets are on sale by committee members and older church school members. If you are interested in the main-

tenance of a church in the village you may express it by taking your supper out at the church that evening. A varied program of entertainment is also being prepared to be presented in the auditorium for those who may be waiting for the time to be served and later for those who have been served and care to remain for a social hour. This will be in the form of instrumental and vocal selections and stunt numbers. Some of these numbers may be repeated if changing audiences call for the same. Come and enjoy the fellowship of the evening as well as the supper.

The E. Kruse family motored to Glen Ellyn and Downers Grove on Sunday.

Additional Wheeling News, Page 8

V. F. W. TURKEY WINNERS

The Arlington Post No. 981 V. F. W., thanks the public for the wonderful support given the post in purchasing turkey tickets and as a result the post was able to increase the original number of turkeys to eight.

Turkeys were awarded to Irvin Garms, 25 So. Dunton; C. Horcher, 722 No. Dunton; R. Heffernan, 23 So. Dunton; A. Pederson, 121 So. Highland; G. Winkelman, 210 So. Dunton; L. Clark, 201 No. Belmont; H. Wolf, Des Plaines, Ill.; H. Eberhardt, Jr., Morton Grove, Ill.

BIG PROGRAM AT THE CATLOW

Many Outstanding Pictures in Next Weeks Program

"Broadway Melody of 1936," now running at the Catlow theatre, Barrington, offers a delightful two hours of fun and music. It will be screened for the last times Thursday night, Friday and Saturday brings two features, both dealing with adventure in far away places. "Storm Over The Andes," the Friday number, presents Jack Holt as a daring aviator in South America; while "The Last Outpost" is set and actually filmed in Arabia. Gary Grant and Claude Rains appear as soldiers of fortune in this story, booked for Saturday. Short subjects and Jack Pot events will be added items of interest for both Friday and Saturday.

The great American melodrama, "Way Down East," which will be the high-light of the Sunday-Monday bill, has a much greater realistic appeal in the film than the stage could ever lend to it. The heartbreak of romance destroyed by the whispering of malice lead to the thundering ice-break climax, and wonder mounts in a crescendo of thrills as youth battles for the girl he spurned. Rochelle Hudson and Henry Fonda head the large cast assembled to portray the characters that the American public has loved for a quarter of a century.

Miss Blanche Fry, Barrington's own singer, will appear with "The White Hussars" next Tuesday night on the Catlow stage. There will be two full shows. The feature picture, "The Virginia Judge," with Walter C. Kelly, will provide screen fare for the evening.

Wednesday of next week will be given to the showing of Francis Lederer and Frances Dee in "The Gay Deception." Short subjects and a Jack Pot event will be added. Cecil B. De Mille's, "The Crusades" is scheduled for showing the three days following.

Commits Suicide Same As Mate Did Five Years Ago

Apparently because of hunger and destitution, Mrs. Marie Bunte, 48 years old, mother of five children, committed suicide Friday night, November 29, by leaping in front of a suburban express train of the Chicago and North Western railroad at Avondale and Kimball avenues, in the same manner as her husband killed himself five years ago.

The family has been on partial relief and this act leaves five orphaned children, Dorothy May, 5 years old; Jane, 9; George, 11; Charles, 13, and Margaret, 18.

The engineer of the train, Edward J. Nelson of Des Plaines, told police that he saw Mrs. Bunte standing on the right of way and suspected that she intended to kill herself. He applied the brakes, but was unable to stop the train before she ran in front of it.

Palatine Appearance of "Smiling Bill" Postponed in Favor of WLS Show

The play "Smiling Bill" advertised for Seip's hall, Thursday, Dec. 5, has been postponed to Wednesday, Dec. 11, in favor of the WLS show to be held in the high school Dec. 5 and 7. This will give everyone a chance to see two good shows.

A BUSY WEEK FOR HIGHWAY OFFICERS

Find Wall Safe

Sheriff's Highway Police Nov. 26, investigated the abandonment of a wall safe found lying in a ditch at Cumberland avenue near Belmont avenue. Care was taken in the handling of the safe, so as not to spoil the possibilities of reproducing finger prints. The investigation revealed that the safe was taken in a burglary of a cigar store at 318 N. Michigan boulevard earlier in the day. A finger print expert was summoned immediately, but he explained that it would be impossible to reproduce any finger prints, because of the peculiar exterior of the safe (rough metal covering). The owner upon being reached, stated that very little money was taken but papers of great value to him were in the safe. The safe when found contained nothing but an old rag.

Dog Business May Go to the Dogs

The dog business of Mr. Fred Paul who operates the Puppyland Kennels on Harlem avenue near Lawrence avenue, will soon go to the dogs unless Jack Gles, a former employee of Mr. Paul, can be restrained from returning to the kennels. Deputies under the command of Sheriff Toman, investigated the case and found that Gles would stand in front of the establishment and order any prospective customers to drive away. Gles on a previous occasion had been placed under a \$2,000.00 peace bond for an offense of a similar nature.

Fuddle of Water Causes Death

Strange as it may seem, Sheriff's Highway Police, after investigating an accident Nov. 27, at 10:30 p. m., which resulted in the death of Roy Coakley, age 26, of 4153 Ozark avenue, Norwood Park, Ill., laid the blame to a large puddle of water that had accumulated in front of 7602 W. Irving Park boulevard. Mr. Henry Zienke of 3757 N. Sayre avenue was driving west on Irving Park when at the above location, Coakley stepped into the path of his car while trying to walk around the puddle of water. Another accident, though not resulting in death, happened in the same manner at 7400 W. Irving Park boulevard about 30 minutes earlier.

It Was Cherry Time

Although quite premature, Mr. John Orsai of 820 Sheridan Road, Chicago, nevertheless knocked down the cherry tree of Mrs. R. Quist of Lawrence and Harlem avenues after he had failed to stop for the stop sign at Harlem avenue Nov. 28, at 4:30 a. m. He also did some damage to the front porch, but agreed to pay for the damage done. Sheriff's Highway Police notwithstanding construed the entire affair as unnecessary and Orsai was arrested for failing to stop for a stop sign.

Unwelcome Wedding Guests

Seven men, known to the bridegroom, Mr. Thomas Melzer, of Glenview road and Greenwood avenue on Nov. 29, at 8:15 p. m., insisted in celebrating the wedding, although uninvited, and when refused drinks, tore down the rear door. Sheriff's Highway Police summoned by Melzer, dispersed the men when Melzer refused to sign a complaint against them.

Mr. E. Alten of River road and Lake avenue driving north on River road Nov. 30, at 11:30 a. m., thought that a westbound car on Lake avenue coming out of the forest preserve was not going to stop for the stop sign at River road, so he swung his car to the left. Mr. Charles Hajicek of 3922 Wesley avenue, Stickney, Ill., followed the example set by Alten and also swung to the left as did Mr. Harvey Dangel of 3252 S. Wallace street, Chicago, who was driving behind Hajicek, with the result that Dangel's car struck the former's and damaged the rear end. It turned out that Alten's thought became a reality, when the westbound car failed to stop, and sped away after the crash. Sheriff's Highway Police investigating were unable to obtain any information on the car that fled.

Sheriff's Highway Police, summoned to investigate a call Dec. 1, at 6:40 a. m., for police at Lake street and Mannheim road, received the following information from Ray Wagner, a gas station attendant: Jim Tamburino of Berkeley, Ill., the attendant on the previous shift had been taken for a ride at 5:30 a. m., and was relieved of \$32.00 by a man who dropped him off in the 2700 block on Mansfield avenue in Chicago. Wagner stated that Tamburino had called him from Chicago, told him what had happened and asked to be picked up.

Robbers Take Empty Bags
The unknown person or persons who Dec. 1, robbed the barn of Mr. Fred Heuer, a farmer located at the southwest corner of Routes 62 and 53 could not have been very fussy, when the loot, after investigation by Sheriff's Highway Police, turned out to be 50 empty bags, a quantity of oats and one bag of feed corn. The robbery took place some time during the night.

A Sad, Sad Story

Sheriff's Highway Police investigating a call Dec. 1, 2:05 a. m., reporting a man being taken for a ride and robbed learned the following from Mr. Renter of 2923 Mason avenue, Chicago, the victim, George Renter who was slightly inebriated, told the officers that he went for a ride with a man and woman whom he had met in Chicago. After having drinks with them they drove him to Lawrence and Cumberland avenues and relieved him of his coat, hat and \$7.00 in cash.

MOUNT PROSPECT

Little Marlene Scheiner, daughter of Mr. and Mrs. R. Scheiner celebrated her second birthday last Saturday afternoon, November 30, with a group of 16 little friends. Marlene received many gifts. Games were played and after the refreshments, the children parted thanking Marlene for the good time they had and wishing her many more happy returns of this day. In the evening a group of friends and relatives helped Marlene celebrate her birthday some more.

Mr. and Mrs. Dave Bennett of 305 Wa Pella avenue moved to Des Plaines, Saturday.

Many folks are going to miss the delicatessen on Main street now that the Kinzel Bakery & Food Shop has moved to Chicago.

Mr. and Mrs. A. T. Smith have moved from 508 Elmhurst Road to 415 So. Wa Pella avenue.

Walter Neubuhr of 108 S. Elm street, has been seen around town sporting a classy new green Oldsmobile.

FOR RENT—5 room flat, hot water heat, furnished if desired. Inquire 118 South Louis street, Mt. Prospect.

WE ARE NOT RESPONSIBLE for any debts contracted for Rand Tower by anyone except ourselves.

L. W. Barcroft
P. G. Wheeler.

American Legion Notes

Mrs. C. Verret visited at the Edward Hines, Jr., hospital on Monday to help arrange for the selection and purchase of Christmas gifts for the disabled war veterans.

The next regular meeting of the American Legion Auxiliary will be held on Monday evening, December 9, at the home of Mrs. Walter Weiss, Ioka avenue and Sha-bonee Trail.

Final P. T. A. Meeting for 1935

Hark Ye All! And come to the last P. T. A. meeting in the year of our Lord, 1935, at Mount Prospect public school, this Thursday evening, Dec. 5, at 8 o'clock.

A most interesting speaker is promised for this meeting. Prizes will, as usual, be awarded the rooms having the largest percentage of parental attendance.

The sixth grade mothers will be hostesses during the social hour following the meeting.

Bowling Briefs

For the first time in many weeks Busse-Biermann Co.'s hard-hitting Hardware lost three games. This was due to the recently awakened Pedersen Dairy, who have been fairly burning up the alleys in their drive toward first place and are now tied for second place. Art Gosh collected on a 199 game while leading his team with 556. Foslack led the Hardware with 520.

Edwin L. Busse's also got their aim again and took all three from the Mt. Prospect State Bank. This gives the Bankers quite a hold on the cellar. K. Kirchhoff led Busse's with 576 including a 232 pay game. Geils was high for the Bank with 513.

Busse Motor Sales was given quite a surprise by the Puro Peps who took them down for two games. J. Bumla collected on a 214 game while leading the Puro's with 593. A. Stejskal rolled 566 to lead the Garage. The standings:

Busse Motor Sales	23	13	826
Puro Peps	21	15	791
Pedersen Dairy	21	15	784
Edwin L. Busse	17	19	762
Busse-Biermann Co.	16	20	774
Mt. Pros. State Bank	10	26	783

One of the most exciting meetings of the Major League was held last Friday and judging from the results there will be plenty more of such meetings in the future.

The Recreation gently whitewashed the Paradise Ice Creams and gained on the leaders. J. Bumla was the hot shot for the winners with 614 including a 244 game for the buck. A. Raasch led Paradise with 552.

The Dutch Masters decided it was about time to start going places and did so by taking the leaders, El Reno Cafe, down for all three. Al Haake collected on a 212 game, while W. Soenkse rolled 563 to lead Dutch Masters. J. Kiener was high for El Reno with 508.

	W.	L.	Av.
Reno Cafe	22	14	844
Recreation	20	16	863
Perfecto Garcia	18	18	838
Dutch Masters	17	19	830
Kruse's Tavern	15	18	831
Paradise Ice Cream	13	20	822

Masonic Club

The Masonic club will hold its meeting on Friday, Dec. 13, at the public school at 8 p. m.

All Masons are urged to reserve this night, as this is the annual meeting, and officers will be elected and installed.

Cub Pack

The Cub pack will hold its regular semi-monthly meeting at 7 p. m., Friday evening, Dec. 6.

Christmas Party

What do you say we get together? Save Friday, Dec. 27, for the Community church party. There will be a big surprise in store.

Mrs. F. E. Wood.

V. F. W. Auxiliary Notes

The regular business meeting of the Ladies' Auxiliary to Prospect Post No. 1357, Veterans of Foreign Wars, will be held at the home of Mrs. Gertrude Seibel on Friday, December 6, at 8 p. m. The committees for the year will be appointed and work for the winter outlined.

The disabled veterans are much in need of warm clothing. Overcoats, shoes, socks, gloves, etc., would be appreciated so much by them. It would indeed be most unfortunate if we do not do all we can to see that they are warmly clothed. The clothing collected along with magazines, old silk stockings, etc., will be delivered to these veterans. Veterans of Foreign Wars Auxiliary. If you have any of these articles, even though they are mended ones, you can notify the president, Mrs. Seibel, who in turn will see that they are picked up and delivered.

December makes us again turn to thoughts of Christmas. We have given a substantial donation for the orphans at the Veterans of Foreign Wars National Home at Eaton Rapids, Michigan. This home, which contains cottages put up by individual states, is maintained by the V. F. W. Posts and Auxiliaries and has approximately 132 children and eleven mothers. Other Christmas plans will be discussed at the meeting Friday.

December makes us again turn to thoughts of Christmas. We have given a substantial donation for the orphans at the Veterans of Foreign Wars National Home at Eaton Rapids, Michigan. This home, which contains cottages put up by individual states, is maintained by the V. F. W. Posts and Auxiliaries and has approximately 132 children and eleven mothers. Other Christmas plans will be discussed at the meeting Friday.

Traffic-actuated Stop-and-Go Lights Being Installed

A new type of stop-and-go light is being installed on U. S. 45 at LaGrange, Ill. This type of signal is regulated by the amount of traffic flowing and is said to be very much of an improvement over the time regulated type.

Installation of these traffic-actuated lights at three intersections of La Grange is nearing completion. Signals of this type are operated by the pressure of motor vehicles upon rubber-padded bars placed in the pavement about 100 feet before the intersection. The intervals between "stop" and "go" are thus regulated by the flow of traffic; the road having the greater burden at a given time will have the green light longer.

St. Paul's Lutheran Church

Divine services Sunday, Dec. 8: English, 9:15 a. m.; German, 10:30 a. m.

Mid-week devotion services on Wednesday evenings: German at 7 o'clock; English at 8:15.

Young People's Society meets Monday evening, Dec. 9.

Bring your gifts for the orphans to the home of Mr. Ernest Gosh during this week. He will deliver them to the Home in Addison.

California Escorted Winter Tours on Bargain Basis by N. W.

Three escorted winter tours to California—including a holiday trip in December and two others scheduled out of Chicago in January and February—will be offered by the Chicago and North Western-Union Pacific line of the Department of Tour announcements.

Based on the lowest fares ever established to California these winter tours will offer a choice of coach, tourist car and standard pullman car accommodations en route—with the prices varying accordingly.

The tours will be of 15 days duration each, the first leaving Chicago the day after Christmas, the other two on Sunday, January 12 and February 9. The itineraries of all three will be identical.

Tour parties will leave Chicago at 10:30 a. m. on the Pacific Limited and after a daylight trip through Illinois and Iowa on the first day and a daylight trip past Wyoming ranches and the peaks and forests of the "Rockies" on the second day will make their first stop on the third day at Las Vegas, Nevada, for a sight-seeing trip to Boulder Dam—the one spot that was on President Roosevelt's "must list" on his recent trip through the West.

After a day at Boulder Dam the tour parties will leave on the Los Angeles Limited arriving Riverside, California the next morning for a motor trip to San Diego. A side trip to old Mexico, of course, with its interesting spots such as Tijuana will be included, while on the last two tours the parties will be privileged to attend the Pacific International Exposition in San Diego which reopens January 15.

A motor trip to Los Angeles along the interesting ocean drive past Point Loma, La Jolla, San Juan Capistrano Mission and Long Beach precedes the next morning's visit to that largest California city—a visit which includes a trip to Santa Catalina Island and auto trips to San Gabriel, Glendale, Pasadena, Universal City movie studio, Hollywood, Beverly Hills and Santa Monica.

A night trip to San Francisco precedes a two day stay in the Golden Gate section, the most picturesque district on the entire Pacific Coast. One of the features of the stay in San Francisco will be the "30 mile drive" with a stop at Fishermen's Wharf and a night trip through Chinatown. One entire day is set aside in San Francisco for visitors to "go as they please." Inspection of the new Golden Gate Bridge and the mammoth, new San Francisco Bridge between the main city and Oakland—8 1/2 miles long—will be on a visiting list of all travelers.

Returning the tours are scheduled over the Overland Route across Nevada and the Great Salt Lake in Utah, arriving Chicago on the morning of the fifteenth day.

FASHION SHOW FRIDAY NIGHT

Beautiful Prizes Will Be Given Away

A pleasant and entertaining evening is promised for Friday, December 6, at the Lutheran school auditorium, when the American Legion Auxiliary will present a fur and fashion show to be accompanied by card games, bunco, etc., with table prizes provided.

The fashion show is to be directed by the well known stylist, Miss Hildur Hill, of Chicago. Beautiful mannequins will display what the well-dressed woman should wear for morning, afternoon and evening dress.

The dresses to be displayed are by Arterfax, while the furs are by the Grace Behn Fur Shoppe. Hats will be displayed by the original Bessie Stuhlmann. Some lucky lady in the audience will be personally fitted and presented with a hat designed by Miss Stuhlmann.

In addition to table prizes, the beautiful hand-made quilt, now on display in the window of the Mt. Prospect Beauty Shoppe, is to be given away. There will also be an electric perizor set given away as a door prize.

Refreshments will be served and the whole evening is planned to afford the utmost enjoyment for all.

Silver Trophies Awarded Maine Grid Champs

At the first annual stag dinner given by the Park Ridge University club for gridiron men of the Maine Township High School, held last Tuesday evening, December 3, silver trophies were presented to the light and heavyweight football teams.

Lynn O. Waldorf, football coach of Northwestern university, addressed the co-champions of the West Suburban League and club members. The scene of the festivity was the school dining room.

According to Harry A. Ackersburg, chairman of arrangements and originator of this plan, the trophies will be engraved each year with the name of the most valuable player on each team. The awards, 10 inches high, are of solid silver of a columnar design, and are topped with the figure of a football player.

The trophies were presented by Walter H. Floerke, president of the club. Eligible members of both teams were awarded letters by Sam C. Marzullo, athletic director of the high school.

Aid Further Education
"In addition to being a pat on the back to the boys who brought back dual championships, the affair should be an incentive for future triumphs," said Mr. Floerke. "The club's perennial project is the furthering of educational aims in this community, and the value of a college education is a point stressed in all of our activities. It is our hope that a great many of these young men who hitherto had not considered attending college or a university will be influenced to this end. University club members, representing schools all over the country, are at the service of all high school students who wish information in regard to particular institutions."

There has been no let-down at the new Des Plaines in the calibre of attractions to come. Week after week the biggest productions from Hollywood will be shown. This week the Des Plaines offers "Public Hero No. 1" on Saturday, Claudette Colbert in "She Married Her Boss" on Sunday and Monday, Kay Francis and George Brent in "The Code and the Gander" on Tuesday, and "Here Comes the Band" on Wednesday and Thursday.

There has been no change made in the low admission prices. The "early bird" bargain price of 15c prevails daily from 6:00 to 6:20 p. m., and on Saturday afternoons from 1:30 'till 6:30 p. m. At all other times the admission is 25c. Children, always 10c.

For a real treat in entertainment, visit the new modern Des Plaines Theatre, now under direction of

Names for Scotland

Scotland is called Skotlana in the Magyar language, Skotsko in Czechoslovakia, Iskoecya in Turkey, and Szkocja in Poland.

Wooden Shoes Serve Numerous Purposes

The Hollanders' wooden shoes, or klompen, serve more purposes than merely to protect the feet. They can be, and sometimes are, used as weapons of defense. A Dutch David will get even with a Dutch Goliath by aiming the first klomp, and when the wooden shoe is used for the same purpose that other people use fists for it can be said that the fight is on a more equal footing.

In their old age klompen add much gaiety to the life of the children who live in the land of canals, for they constitute most of the sailboats of youngsters. They also bring amusement to many travelers, for when boats pass through the lock of a canal the tollkeeper is as likely as not to dangle over them an old klomp from the line of a fishing rod. The boat owner then puts the toll in it.

Klompen are seldom seen in cities except on market days, when countrymen come to town. They look very uncountry people think folk, but country people think nothing of jumping over a four-foot fence without losing their heavy, unlaced footwear. In some sections klompen are skillfully carved and form quite a decorative part of the costumes of girls as do their quaint lace bonnets. The Hollander would certainly lose many a foothold on life without his klompen.

Eve's Epigrams

Those who've never had it can't know what it means to lose it.

Mother's Cook Book

HOT BREADS FOR COLD DAYS

A FLAKY, tender, white and well-browned baking powder biscuit is no mean accomplishment. To be successful, such hot breads should be made quickly and baked in a hot oven.

Quick Biscuit.

Sift two cups of flour, four teaspoons of baking powder, one teaspoon of salt, and when well blended add one-fourth cup of cooking oil and three-fourths of a cup of milk. Mix into a soft dough and put out on a floured board. Cut into rounds and bake 12 minutes in a hot oven.

Orange Muffins.

Sift one cup of flour with three teaspoons of baking powder and three-fourths of a teaspoon of salt, add one-fourth of a cup of sugar, one cup of Graham flour and one cup of sliced orange peel. Beat one egg, add one cup of milk and one-fourth cup of vegetable or cooking oil. Beat until smooth, fill well-oiled tins with the mixture and bake 20 to 30 minutes, according to the size of the muffins.

Coconut Corn Bread.

Take one cup each of flour, corn meal and milk, four teaspoons of baking powder, two teaspoons of salt, three tablespoons of sirup, one beaten egg, one-half cup of shredded coconut and two tablespoons of shortening. Mix as usual and bake in a shallow pan 25 minutes.

Oatmeal Bread.

Take one and one-half cups of whole wheat flour, one teaspoon of salt, five teaspoons of baking powder, one-fourth cup of brown sugar, two tablespoons of oil, one-fourth of a cup of milk, one egg, one cup of cooked oatmeal and one-half package of dates. Mix as usual, sifting the dry ingredients together, then add the milk and beaten egg, then the oatmeal and dates; lastly add the oil and beat well. Bake in a loaf for one hour.

Hot smoked salmon sandwiches are particularly good if seasoned with horseradish and a little Worcestershire sauce.

New Des Plaines Theatre Grand Opening Success

Last week-end the New Des Plaines theatre formally opened its doors after undergoing extensive remodeling and modernization. To say that the opening was a success is putting it mildly. Crowds stormed the new theatre and voiced their hearty unanimous approval of the newest in theatre design and decoration, and the wonderful program offered.

There will be no let-down at the new Des Plaines in the calibre of attractions to come. Week after week the biggest productions from Hollywood will be shown. This week the Des Plaines offers "Public Hero No. 1" on Saturday, Claudette Colbert in "She Married Her Boss" on Sunday and Monday, Kay Francis and George Brent in "The Code and the Gander" on Tuesday, and "Here Comes the Band" on Wednesday and Thursday.

There has been no change made in the low admission prices. The "early bird" bargain price of 15c prevails daily from 6:00 to 6:20 p. m., and on Saturday afternoons from 1:30 'till 6:30 p. m. At all other times the admission is 25c. Children, always 10c.

FOR R

OBITUARY

ELAINE BEHRENS

Elaine Behrens, daughter of Mr. and Mrs. George H. Behrens of Schaumburg, was born June 5, 1933, in Schaumburg township, Illinois and passed away after a short illness at the Elmhurst hospital on Wednesday morning at 3:45 a. m., Nov. 27, 1935, at the age of 2 years, 7 months and 20 days. Her cause of death was bronchial pneumonia.

She leaves to mourn her departure her loving parents, Mr. and Mrs. George H. Behrens, and sisters, Marie, Mary, and Mrs. William Behrens.

Funeral services were Saturday afternoon at 1:00 p. m., Nov. 30, 1935, at the home of Mr. and Mrs. George H. Behrens and at 1:30 p. m. at the Schaumburg Lutheran church, Rev. Pfotenhauer officiating, Mr. Eggersmann rendering the organ numbers, singing by school children; funeral arrangements by Dzur & Karstens; interment in Schaumburg Lutheran cemetery.

PHILLIP LASEKE

Mr. Phillip Laseke was born March 5, 1875, in Wheeling township, Illinois, and was baptized and confirmed in the St. Peter's Lutheran church at Arlington Heights, Ill. On November 13, 1902 he was united in marriage to Miss Lisette Wischmann at the St. Peter's Lutheran church at Arlington Heights by Rev. Noack. They first made their home on a farm north of Arlington Heights, and for the last 14 years they have lived in Arlington Heights, Ill., at his residence at Haddon and Eastman streets. Mr. Laseke has been ill for the past five months and on Tuesday morning, December 3, 1935, he took a turn for the worst and passed away at the age of 62 years, 8 months and 28 days.

He leaves to mourn his departure his loving wife, Lisette, and two daughters, Mrs. Laura Paulmeyer of Arlington Heights and Selma; one son-in-law, Mr. Henry Paulmeyer; one granddaughter, Lenore; a mother-in-law, Mrs. John Wischmann; five sisters; three brothers; five sisters-in-law and seven brothers-in-law.

Funeral services will be Friday afternoon at 1:30 p. m., at Karstens Funeral home and at 2:00 p. m., at the St. Peter's Lutheran church at Arlington Heights, Revs. Noack and Fricke officiating; interment in St. Peter's cemetery.

WILLIAM H. KRUNFUS

Mr. William H. Krunfus was born September 22, 1875, in Hanover township, Illinois. He passed away suddenly at a home of his friend in Elgin, Ill., Monday evening, Dec. 2, 1935, at the age of 60 years, 2 months and 10 days. Mr. Krunfus was united in marriage to Miss Caroline Schaeffer on November 23, 1899, at the Hanover church parsonage. This couple have always made their home in Hanover township, Ill. Mrs. Krunfus passed away April 16, 1934.

Mr. Krunfus leaves to mourn his sudden departure, four children, Mr. Albert Krunfus, Miss Laura Krunfus, Mrs. Edna Lichthardt and Harry Krunfus; a daughter-in-law, Mrs. Albert Krunfus; a son-in-law, Mr. Herman Lichthardt and three grandchildren; one sister, Mrs. Fred Werner of Elgin, Ill., and one brother, Mr. Herman Krunfus of Barrington township, Ill.

Funeral services will be Thursday afternoon, Dec. 5, 1935, at 1 p. m., at his home and at Hanover Evangelical church at 1:45 p. m., Rev. Ellerbrake officiating. Funeral arrangements by Karstens; interment in East Dundee cemetery.

MRS. AGNES NEHLS

Mrs. Agnes Nehls, who has made her home in Arlington Heights the past thirty years, died at her home on North Highland Saturday, Nov. 30, after an illness since January and which caused her to be bedridden most of the time since then.

The funeral was held at St. James church Tuesday morning with interment in St. Joseph's cemetery, River Grove. There remain three living children: Ella, who resided at home, John of Kenosha and Ralph of Rogers Park.

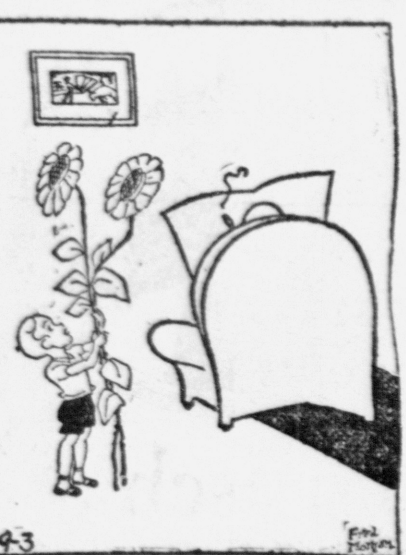

Agnes Schimek was born in Austria, May 16, 1853, coming to Chicago with her parents when one year old. She was united in marriage to Rudolph Nehls in 1884 and in 1895 came to Arlington Heights where Mr. Nehls operated a drug store. The latter died in 1908.

CARD OF THANKS

We herewith express our deepest thanks to the many friends and relatives and especially the members of the fire department for their many acts of kindness and expressions of sympathy received in our bereavement.

Mrs. H. C. Bolte and Children

PAPA KNOWS—

The Gift Corner John M. Smyth's Big Store

The Gift Corner in the John M. Smyth store is crowded to overflowing with fascinating accessories for the home. It sparkles with Crystal and glass things that fit any furnishing scheme from Early American to Ultra Modern. Quaint pressed glass objects that are both ornamental and useful, such as ash trays, compotes, vases, etc. Other pieces in Cobalt blue, Ruby and Topaz.

In fact the shelves of pottery, accessories especially the assortment of modern vases in pastel shades, white, rival the glass collection in interest and beauty. There are many well designed compotes, sets and centerpieces for both formal and informal table settings.

In contrast, is some extremely gay painted wooden ware from California. Bowls for popcorn, nuts and apples. Larder bowls with matching fork and spoon for mixing salads. Hors d'Ouvre trays, service trays and coasters. Folding trays with legs which snap down in place, thus converting into cocktail table. The legs fold back so that the tray may be stored away in a very little space.

Of particular interest is a varied assortment of pictures, boxed in pairs or singly. Etchings, Prints, Botanicals, Early American subjects, also many Modern, making charming gifts for the Moderate pocket-book.

Most attractive to men, is a group of smokers accessories, substantial metal floor smokers, large convenient ash trays, in many practical finishes. Smart Modern line of metal accessories, in Chrome, Brass, Copper and combinations of color. Book-ends, Relish dishes, trays, cigarette boxes and other useful items, individually packed.

The shelves are packed with lovely and useful things. The "Tremendous trifles" that transform a room that is merely furnished into a place that is fun to live in. The price range is wide, but always reasonable. And whether you want a set of simple glass shell ash trays or a pair of fine Crystal vases, you will find a varied assortment. Fresh stock and exciting new things—for your most formidable relative—the friend who has everything or your best loved servant.

OPEN SATURDAY EVENING UNTIL 9 P. M.

Beginning Dec. 12th Open Every Evening Until Xmas to 9 P. M.

ARLINGTON HEIGHTS

Virgean, six months old daughter of Mr. and Mrs. Fred Tesch, was christened in her parent's home by Rev. W. L. Whipple of the M. E. church, the 17th of November. Little Virgean had to share the honors of the day with her grandmother, Mrs. Roy Dobbins, and her uncle, Mr. Walter Tesch, whose birthdays were on the day of her christening. There was a full attendance of the family to witness this beautiful and inspiring induction of a child into the faith of our fathers.

The Welcome club of St. Peter's church at their November meeting were delightfully entertained by a book review given by Mrs. Wallenfeldt the book reviewed was "Edna, His Wife" by Margaret Ayer Barnes. It was a most informing review, most intelligently treating the worthwhile, as well as the weak qualities of the book.

Mrs. A. E. Simson spent some time lately with her son at Austin, taking in the holiday last Thursday.

Mr. and Mrs. Antone Horcher of South State Road and Miss Ruth Heffernan drove to Waukegan Sunday to visit the family of Rosalie Schirring Daum, who was a childhood friend of Miss Ruth Heffernan and a relative of the Horchers. Rosalie died last Saturday. Old residents will recall Mr. and Mrs. William Schirring and their four bright little daughters, of whom Rosalie was one.

Mr. W. B. Beardsley, while in town, is at Mrs. Burkitt's home, 502 N. State Road. Phone 333-J.

The baby clinic will be held Tuesday, Dec. 10, at 2 p. m., at the village hall.

The P. T. A. chorus meeting will meet Monday, Dec. 9, at 8 p. m., at the South Side school. Mr. Theo. Melitzer will be director. Any mother or father or anyone who likes to sing, are invited to join this chorus.

Mr. and Mrs. Roy Florey, 502 N. State Road, are receiving congratulations upon the birth of a son, born Friday, Nov. 29. Mother and son are progressing nicely under the excellent care of our well known nurse, Mrs. Shepherd.

Mrs. Catherine Lauterburg had her children as guests in her home Thanksgiving day. Mr. and Mrs.

August Stein and Arthur, her daughters and Walter, Will and his family. A happy home group to be thankful together.

Mrs. Anna Tegtmeyer and son, Lawrence and Mr. and Mrs. John Gilbert spent Thanksgiving at Mr. and Mrs. Raymond Guerrero of Des Plaines.

Do You Know—

That the Constitution, the most famous vessel in the history of the United States navy, earned her popular nickname, "Old Ironsides," from the hardness of her planking and timbers? Built at Boston and launched October 21, 1797, her most famous battle was the defeat of the English frigate Guerriere, August 19, 1812.

© McClure Newspaper Syndicate. WNU Service.

South Side Breezes

Miss Dorothy Mills, who is a student at Northwestern university, spent her Thanksgiving vacation with her parents, Mr. and Mrs. C. H. Mills, two friends, Miss Margaret Miese and Miss Marion Manns, were her guests.

Mr. and Mrs. J. C. Crofoot, Mr. and Mrs. Hilah Burke, and Miss Mary Tingley, all from Addison, Michigan, visited from Wednesday until Sunday in the O. G. Barrett home.

Mrs. M. Lawbaugh, who has been staying at the home of her son, Ray Lawbaugh and helping care for the new grandson, Roger, has returned to her home in Templeton, Iowa.

Mr. and Mrs. John Nelson and baby of Scarsdale, spent most of the week-end with Mrs. Ackermann in Chicago. Mrs. Ackermann is Mrs. Nelson's mother.

New residents at 432 South Mitchell are Mr. and Mrs. Simon.

Mr. and Mrs. C. M. Lutes and daughter, Eleanor, find it necessary to move to Waukegan, Mr. Lutes having been transferred there.

Mrs. George Pfingsten entertained a group of ladies Thursday at a luncheon and "500."

Callers, Sunday, at the Utterback home were Mr. and Mrs. Barr and baby son of Niles Center.

GOOD-LOOKING, PRACTICAL

Annual Red Cross Roll Call

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

PALATINE OPENS WITH WAUCONDA

Palatine opens the 1935-36 conference cage campaign Friday night, Dec. 6, when Wauconda is met in a pair of games. Wauconda will be one of the average teams of the conference with four returning lettermen and the Pirates will have to be in good form to win.

The showing in the alumni game last week was encouraging, but indicated a lot of hard training is necessary before a polished team can be put on the floor. After trailing 12-10 at the half, the high school boys weakened in the second half with the loss of Foster and Kraft and the strain of their first game. The powerful squad of 12 championship alumni wore them down and piled up the score in the last period. The playing of Wittenburg, lanky 6 foot 3 inch center, was outstanding for the high school and the boys bid fair to be one of the top men of the loop.

Wauconda lost a practice game to Crystal Lake 23-19, while the latter defeated Arlington by about the same score. This indicates that the Bull Dogs will be tough opposition for the Pirates.

Foster, lanky junior guard is lost for at least a week because of scholarship difficulties. Foster has been handicapped by an injured knee, but played good ball in the alumni game.

The line-up Friday will consist of two tall men and three short ones. The six footers are Wittenburg and Stuit and the small ones Mess, Kraft and Bretsnyder. Plate, Kruse, North, and Wiehrdt are also likely first team players.

The lightweight team of A. Friese, O'Brien, Haemker, Golden and Hermann will start Friday with N. Friese, Thompson, Stewart and St. Clair, ready to help out.

Palatine Woman Wins Award For Recipe

Mrs. W. F. Geisser, 39 So. Mitchell street, Arlington Heights, Illinois has just been awarded a Certificate of Recipe Endorsement by Better Homes & Gardens for her recipe, "Tomato Soup."

This certificate, which brings national recognition to Mrs. Geisser, is given by Better Homes & Gardens only to distinguished recipes which pass its testing kitchen's tests for dependability, excellence of taste, and family usefulness.

In addition to the signed certificate, Mrs. Geisser also received three copies of her endorsed recipe, each bearing the Better Homes & Gardens stamp of recipe endorsement, which she can give to her friends.

In awarding these certificates, it is the magazine's aim to provide proper recognition for the creative work done by women in their own kitchens, and also to raise the standard of accuracy and dependability of recipes as a whole. No other magazine or institution gives this personal recognition and service to its subscribers.

Mrs. Geisser's endorsed recipe follows:

Tomato Soup
1½ tablespoons butter.
1 large onion, chopped.
¼ cup diced celery.
1 can tomato soup.
1½ cups milk.
Chopped parsley.
Grated cheese.

Melt the butter in a skillet. Add the onion and celery and saute until soft and yellow. Add the onion and celery to the tomato soup and milk which have been heated together. Serve hot with minced parsley and a dash of grated cheese. Serves 4.

SELL! Through the WANT-ADS

YOU be the JUDGE!

IS IT ETHICAL FOR A LAWYER TO DEFEND A CLIENT WHOM HE KNOWS TO BE GUILTY?

Yes. Every accused person is entitled to the services of a lawyer to see that the trial is conducted fairly.

FAULTY CIRCULATION?
Corrective treatment should be received. My physical Therapy treatments are widely acknowledged.

EXAMINATION WITHOUT CHARGE
Also scientific treatments for infectious diseases as well as rheumatism and foot troubles.

Next question: A needle embedded in a cake of soap caused an injury resulting in paralysis. Is the soap manufacturer liable.

OFFICE HOURS:
Mon., Tues., Thurs., 7:30 to 10 p. m.
Open All Day Friday
9 a. m. to 10 p. m.

Palatine Alumni Defeats High School In Two Easy Games

(By Shelby North & Marvin Plate)
Before a fairly large sized crowd the Alumni beat both the high school lightweight and heavyweight teams. The first half of the heavyweight game was very close and the score differed only one basket with the Alumni on the heavy end. In the second half the Alumni superiority came to the surface, with the exception of a few "bobbles" the ball handling of the Alumni was something pretty to see. Hinch playing center for five baskets and one charity toss for a total of eleven points to cop the scoring honors for the evening, in short he was high scorer. Wittenburg, center of the high school, was the next high scorer with a total of six points.

The lightweight game was featured by a lack of baskets, a total of only six being scored during the game. Tudyman was the best point guard, "bringer in" in the lightweight game, he put five chips in the pool of eleven garnered by the Alumni lights. The high school lights did not sparkle as brightly as they could have.

Between the games the "looker onners" were entertained by a group of G. A. A. girls under the tutelage of Miss Hackbarth. For about an hour and a half after the games dancing was enjoyed to the melodies of the Harmony Snatchers.

By defeating Park Ridge 22-19, Arlington gained an even break in the standings of the N. W. Suburban Lutheran B. B. League.

Presenting an air tight defense during the first half, Arlington jumped into a lead which they held the entire game, staving off a desperate Park Ridge rally in the final quarter. Weinrich was the big gun of the Arlington attack, ringing up four long and one short baskets and one free throw for 11 points; followed by Bayer with two baskets and a free throw for 5 points. Only one foul was called on Arlington in the first three periods, four being called, however, in the closing minutes, while fighting desperately to hold the lead. Herman led the Park Ridge scorers with 7 points.

Other Sunday games:
Itasca, 28; Des Plaines, 23.
River Grove, 56; Glenview, 28.
Next Sunday's games:
River Grove vs. Des Plaines, 2 p. m.
Glenview vs. Park Ridge, 3 p. m.
Arlington vs. Itasca, 4 p. m.
These games will be held in Immanuel gym, Des Plaines.

League standings:

ARLINGTON AND CRYSTAL LAKE DIVIDE TWO

Last Friday Arlington played her first game of the 1935-36 season at Crystal Lake. The two games were divided, Arlington's lights copping 29-23, while the senior Cardinals dropped their game 22-28. Annen was the real hot shot in the opener, totaling 16 points. Foley and Grismer were both real assets to their gang.

The heavyweight game was very even throughout with Crystal Lake holding a slight edge most of the time. Pingel and Weisgerber did the most consistent scoring for Arlington. Capt. Johnson was a bearcat on under the basket play, but had tough luck on his shots.

Proper Lighting Vital for Home Safety

The automobile, with its terrible slaughter of 36,000 people last year, exceeded by only a thousand or so the number of fatalities that occurred in homes, according to a report by a large life insurance company. In the entire United States, 34,500 deaths resulted from injuries in the home last year.

These facts were brought out by Mr. Oscar P. Cleaver, nationally known lighting engineer, in a recent address before the New Jersey State Safety Conference. Mr. Cleaver said further: "The risk of injury in the home is almost seven times as great as when riding in public conveyances. Breatal though it may seem, 'Home Sweet Home' is one of the most dangerous spots on earth."

"Since 44 per cent of domestic accidents are estimated to be the result of falls, artificial lighting obviously plays a most important part in home safety. In fact, inadequate illumination is a prolific cause of stairway tumbles, especially on the cellar stairs. Porch steps also take their toll. Stumbling over unseen objects in a dark house is generally the cause of needless injuries."

Mr. Cleaver went on to describe the dangers that lurk in improperly lighted rooms, from the front hallway to the kitchen. "The front stairs are itching to trip you up in the darkness. . . . Poor lighting in the dining room is also a hazard, a mental as well as a physical one. . . . In the kitchen occurs the greatest number of painful accidents, such as cut fingers, falls on a slippery floor, and hands injured by cooking gadgets because of insufficient illumination in this household workshop."

The number of accidents in the home can be reduced by care on the part of the family, and by better lighting, Mr. Cleaver concluded. To him the home is no different from the street when accidents are concerned, except that in the former place accidents do not happen.

Conference Basket Ball Starts Friday

The race is on! The 1935-36 pennant race in the Northwest conference basketball season begins this Friday night. All twelve teams swing into action including Grant High of Fox Lake and Lake Forest, the two new entries in the league. The first night's games are as follows:

Warren at Arlington.
Leyden at Libertyville.
Grant at Antioch.
Ela at Bensenville.
Wauconda at Palatine.
Lake Forest at Barrington.

Coach Kelton brings his Warren team down from Currie to take on the Cardinals on the local floor to open Arlington's home conference season. With five men out of last year's first eight available Wauconda is likely to show the Cardinals a fast brand of ball. Undoubtedly they will miss Kenny Zimmerman, their star for the past few years, and Dixon and Rosene, but the remaining quintet looms up as a real threat in the league. They will have plenty of size and speed. Phillips, their last year's center; Brya, Ames, Beck and DeZurick, who played the guard positions are all on deck along with the pick of their lights. These number the younger Rosene and Phillips and Daley—all scoring men.

Their zone defense has always been a hard nut to crack. However, the Cardinals are improving and will battle to keep a clean slate for the first week. The combination of Pingel and Johnson at the forwards with Weisgerber at center and Koppin and Harrah have been playing a nice brand of ball. They have shown some of the niftiest passing an Arlington team has displayed in years. With a game or two more under their belts, and a little more confidence, they may rate right up there with any of the leaders in this vicinity. Dearie is one of the cleverest ball handlers on the squad and but for his size, would be the equal of any player in the league.

Masny, Sciaro, Turner, Grooms, Stefank, Hanauer and Phillips round out the squad. Assuredly this will be one of the best openers Arlington has had in recent years. The games will open with the lightweight set to 7:30, Friday—at Arlington—Don't forget.

Palatine split even in a double header with Northbrook Tuesday after school. The Pirates lights lost to the Northbrook heavies 26-16 while the Palatine Frosh team beat the Northbrook lights 15 to 9.

In the main event the Northbrook first break piled up a big lead while the Palatine boys were failing to score more than one field goal in the first three quarters. O'Brien and Golden scored six points apiece for the Pirates. The Palatine team made only two out of 15 free throws. Capt. Arnold Friese, star center, was lost to the Pirate team for two weeks with a badly sprained ankle.

The Palatine third team played steady ball and led all the way. Stewart was high with five points followed by Schinkosky and St. Clair with four each.

they are committed. "Light protects the home from many, if not the majority of accidents there, and at the same time it safeguards the eyesight and the health of the home as well."

CARDINALS FIGHT HARD BUT LOSE TWO TO MAINE

This past Monday night Maine of Des Plaines, got some bit of revenge for the basketball defeat handed them by the Cardinals last week by administering a double defeat to Arlington. Their heavies won 33-20, while the lights dug out a 26-17 victory.

For a half the Cardinals played a really brilliant passing game, but were unsteady on their shots. Had they been hitting at all consistently, they would have been out in front at the half by a comfortable margin instead of trailing 17-12. In the second half their game fell apart. Individual errors led Maine slip in an occasional basket that gradually built them up a commanding lead. Koitschuck and Tosch led in scoring for the visitors.

Pingel, Johnson, and Weisgerber, until he tired, led the playing for Arlington.
In the lightweight game the "Green Tornadoes" battled well right up to the end in a desperate attempt to pull the game out, but failed. It would be hard to pick an outstanding player from the losers. Maine had practically a veteran team from last year's crack Suburban League entry. But for a few long shots they might well have lost to Arlington. Prochaska, a stocky little fellow, dropped six into the net mostly from long range to sew up the game.

George Cramer, Editor
Our card party was a success. We took in \$30.55, making \$17.56 profit. We have paid our bill on the piano now. The turkey was won by Violet Stenstrom of Westmont. We want to thank everyone for taking part.

The upper grades have finished their music books. The covers are very attractive.

The geography maps are up and have been well colored. The fifth grade has finished its milk bottle project.

Mr. Butler visited us Monday and we certainly are glad to have him

visit us.

Wednesday is our Achievement meeting date.

We are planning a Thanksgiving program, now that our card party is over, we are settling down to reading our required number of books. We have been giving some of our book reports.

Friday mornings we give talks on Current events. The lower grades have stories from the weekly readers.

visit us.
